Journal for Continuing Education in the Health Professions (JCEHP)

JCEHP, a quarterly publication, has been published since 1981 and is now available in hard copy and web versions. The journal's focus is the theory and practice of continuing education in the health sciences, and its primary purpose is to provide thoughtful and practical advice to continuing education practitioners in the development, conduct and evaluation of continuing education programs. The editors solicit thoughtful essays on a wide range of subjects that affect the lifelong professional commitment, competence and performance of the continuing health education practitioner.
